Fahey said, "Those on the Other Side want talk with you, as much as you want to talk with them."

Since 2003, Dr. Fahey has captivated LIVE audiences throughout Southwest Florida. He is one of the world's most renowned and respected spiritual mediums working today. Dr. Fahey connects with the surviving souls of loved ones who have died. As a research evidential psychic spirit medium and

clairvoyant, he makes himself available to those who have crossed over to the Other Side acting as a bridge between two worlds so that a communication can take place. He uses his gift to relay messages from an outside source, that of Spirit. At the up-coming event, he will provide demonstrations of mediumship so the audience will witness LIVE psychic spirit readings and connections with loved ones on the Other Side. Dr. Fahey will also give psychic answers to psychic questions about what happens when a loved one dies, including whether they are still around us and why, and ways you can communicate with them. Dr. Fahey works extensively through his guides, bringing profound transformational healing information regarding the soul's state of health and well-being. Dr. Fahey does not promise a prediction or advice, but only hope for validation or "proof" of the authenticity of the messages he gives. Deeply compelling, often startling and occasionally humorous, Dr. Fahey's down-to-earth approach has earned him a vast and loyal following.
